DESCRIPTIONS:

FIFTH AVENUE:

Look beneath all the power and all the wealth that represents New York City's Fifth Avenue, and you'll find greed, blood, revenge. In "Fifth Avenue," each intermingles within a revered society that is unprepared for what's in store for it when one man finally strikes in an effort to destroy another man for murdering his wife thirty-one years ago.

Louis Ryan is that man. George Redman, his wife, two daughters and their close friends are his targets. Both men are self-made billionaires who came from nothing to stake their claim to Fifth Avenue. But when Louis Ryan hires an international assassin to literally rip the Redman family apart, a series of events that can't be stopped catapults them all through a fast-paced, hard-edged thriller in which nobody is safe.

Secrets are revealed. Sex lives are exposed. The Mafia get involved. And George's two daughters come to the forefront. More than anyone, it's they who are caught in the throes of their father's past as Louis Ryan's blind desire to kill them all takes surprising turns in his all-out effort to see them dead.

RUNNING OF THE BULLS:

A former Wall Street titan who robbed the world of billions is now out of prison. Good for him, but not for those who put him there. Now, they are dying grisly deaths by the hands of two hired assassins.

Investigating is private investigator Marty Spellman, who soon learns that all isn't what it seems as the twists pile up along with sheer number of the dead.

FROM MANHATTAN WITH LOVE:

An outcast billionaire's daughter is caught at the wrong place at the wrong time.

An international assassin questions her sanity when she falls in love with the very assassin she's charged to assassinate.

What happens when each collide? Chaos. Murder. Love. Revenge.

And redemption.

FROM MANHATTAN WITH REVENGE:

Carmen Gragera is a gifted international assassin. So was her lover, Alex Williams, before he was savagely murdered by a powerful syndicate who considered each end-of-cycle.

Carmen escaped their wrath, but with Alex dead, her own wrath only grew.

Now, through unusual means, she's seeking her revenge against the syndicate for Alex's death.

Assisting her is an eccentric, Park Avenue-based seasonings heiress and a 103-year-old former psychiatrist whose contacts run deep. Also joining her is fellow assassin Vincent Spocatti, with whom Carmen has worked before, and for whom she has the utmost respect.

But is the respect mutual?

Soon, there are so many twists, they eventually form a noose that whip around Carmen's neck. For Carmen, revenge comes at a cost higher than she ever anticipated.
